FOR IMMEDIATE RELEASE

April 3, 2018

INGHAM COUNTY DRAIN COMMISSIONER PATRICK LINDEMANN ANNOUNCES STORM SEWER CONSTRUCTION AND CLOSURE OF DELL ROAD IN DELHI TOWNSHIP

Ingham County Drain Commissioner Patrick Lindemann announces the start of storm sewer construction on a portion of Dell Road near the intersection of Dell Road and Pine Tree Road in Delhi Township. The new storm sewer will relieve longstanding flooding problems within the Ferley Consolidated Drain Drainage District.

Barring any unforeseen delays and weather permitting, the work will begin on **Monday, May 7, 2018**. The work will take four to six weeks.

The portion of Dell Road in the construction zone will be closed to through traffic daily from 7 a.m. to 7 p.m., with traffic detoured onto Willoughby Road. Every evening, Dell Road will be re-opened to through traffic, as normal. Residents of Dell Road whose homes are within the construction zone will continue to have access to their homes during construction.

Spicer Group, Inc., of Lansing, performed the engineering and design work on the project and will also be overseeing the construction. Central Excavating of Westphalia, Michigan has been selected as the project Contractor.

For further information, please contact Angie Cosman at the Ingham County Drain Commissioner's Office at (517) 676-8395.

Construction updates and the traffic detour map is available at the Drain Commissioner's project website: <https://ferleyconsolidatedrain.com/>
